

ECLETTICA

A modern interior design scene. In the foreground, a dark, round dining table with a reflective top and a black base sits on a grey textured rug. On the table are two cylindrical objects, one with a wood-grain top and one with a metallic top. To the left, a modern chandelier with three large, clear glass spheres hangs from the ceiling. In the center, a glass partition with a vertical ribbed pattern and a thin metal frame separates the dining area from the kitchen. The kitchen area features dark grey cabinetry and a white countertop with a white sink. The background shows a staircase with a white railing. The overall aesthetic is clean, minimalist, and eclectic.
